Slump in Super Bazar Sales

*336. DR. ABRAR AHMED:
SHRI SURESH KALMADI:

Will the PRIME MINISTER be pleased to state:

(a) whether Government's attention has been drawn to the news-item published in the Pioneer of 17th July, 1992 under the caption "Alarming slump in Super Bazar sales"; and

(b) if so, what are the reasons therefor and the steps taken by Government to improve the situation?

THE MINISTER OF STATE IN THE MINISTRY OF CIVIL SUPPLIES AND PUBLIC DISTRIBUTION (SHRI KAMALUDDIN AHMED): (a) and (b) Government is aware of the news-item published in the Pioneer of 17th July, 1992 under the caption "Alarming slump in Super Bazar sales". In fact, there has been no alarming slump in the sales of Super Bazar which has been stagnating at the level of about Rs. 99 crores during the past three wears. Super Bazar has reported that the stagnancy observed in the sales is mainly due to a general market slump, restricted purchases by Government Departments, decline in receipt of essential commodities like palmolein and discontinuance of supplies to CGHS due to delayed payments. Further the equity base of Super Bazar has remained the same restricting its capacity to provide goods on credit.

Super Bazar has taken remedial measures to increase its sales by strengthening the distribution system, close monitoring of inventory and stocks, participating in various tenders floated by Government and public sector undertakings, opening of Regional Distribution Centres and mini branches in uncovered areas etc., and setting up an automatic packing unit to accelerate packing operations. To strengthen equity base of Super Bazar, Government has provided financial assistance of Rs. 50 lakhs in 1991-92.
